

**Research Related Medical Health Assessment (RRMHA)**  
**Instructions for Renewal for All Existing Animal Handlers**

Appointments will be conducted via telemed; however, individuals in need of audiometric screening, respiration fit test, vaccination, phlebotomy, respiratory clearance or other medical services requiring a physical presence will still need to schedule in-person appointments. Medical assessments may be requested at any time.

- To Obtain Health Assessment Form - Access Animal Handler Portal:  
<https://researchcompliance.web.virginia.edu/acuc/>
- Click on "Get Occupational Health Form" and then "Health Assessment Form" and Print, Complete and Scan the Health Assessment form
- Email form to [uvaworkmed@virginia.edu](mailto:uvaworkmed@virginia.edu) or Fax: 434-244-9434
- Once your RRMHA Form is reviewed - A member of UVA WorkMed will reach out to you to schedule your appointment. (Either in-person or Telemed).
